

Childhood

A:

Hello my name is Wendy,
I'm forty and I am from Kentucky,
I live comfortably as a secretary.

E:

Hi I'm Wendy, I'm ten.
I like to see my friend
I go to the park every weekend

A:

Today is like any other day, everything went well:
At 8, I went to **work**, I said hello to my colleagues,
At 9 I picked up a bunch of documents to **work** on.
At 12 I ate a sandwich and went back to **work**.
At 5 **work** ended, I got back home.

E:

Today I saw my best friend Rufus. We played hide and seek and I won, then we went to the park and then we went back home and made a giant cookie !

A:

Today was a good day...
but my colleagues were annoying...
and the photocopier was broken...
and once again I got stuck in traffic for an hour.

E:

Today was the best day, I built a house in a tree

A:

Today I'm a little bit sour

E:

Today I am so happy

A:

Maybe today wasn't such a good day.

STOP

It's Rufus's birthday, I haven't seen him in twenty years, what would little Wendy say?

E:

sights

A:

I don't really know how I got there, I wanted to be...

E:

... a goat farmer, a firefighter, an acrobat, a domestic cat...

A:

sceptical look

E:

...a postwoman, a superwoman , a death metal singer...

A&E:

a baker!

A:

I wish I could be a child again

E:

I hope my childhood never ends
I wonder what big Wendy will be...

A:

I let little Wendy down, this cannot be.
I wonder if I should follow my dreams, no matter who it offends.

E:

Maybe it is time to live your life,
What is stopping you ?

A:

But I can't, I have a stable situation, a mortgage, I need to be a perfect wife
There is nothing I can do

E:

You know very well that is not true.

A:

I guess you're right... it's my time to shine!

E:

Yes! Always keep that in mind !

A:

I will make cakes, they will be as light as a cloud
In my bakery, there will always be a crowd

And I will scream out loud:
"Little Wendy, I will make you proud!"
